

Sobienie Królewskie

GOLF & COUNTRY CLUB

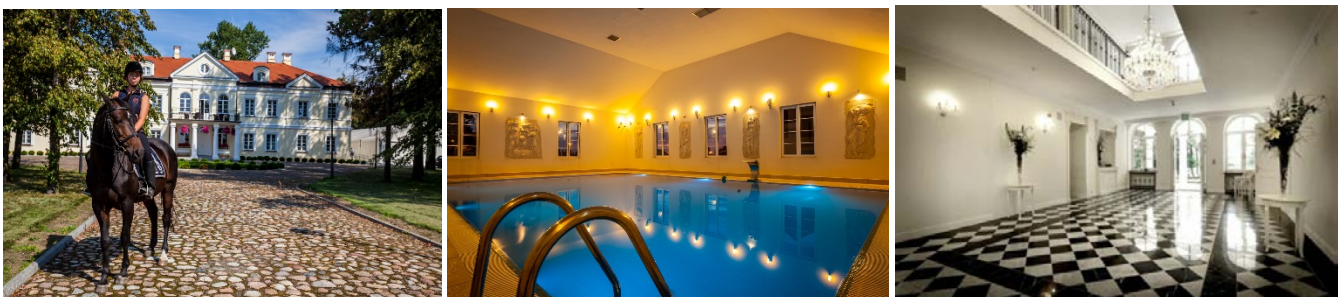

Located just 30km outside the Polish capital – Warsaw, Sobienie Królewskie is a top Polish golf resort. 71 par 18hole championship course designed by the famous atelier – Ford Golf Design, is our gem in the crown. British architects managed to aptly combine Scottish links styled course with the stunning Mazovian countryside. Its undulating greens, long roughs, picturesque lakes and wide bunkers make it quite a challenging and memorable experience.

Our golf training facilities, the home of Sobienie Performance Academy, is probably the best place to learn golf in Poland. Nothing proves it better than the fact that we won the Polish Club Championship three times in a row - 2015, 2016, 2017. Without a doubt it is a perfect place for both beginners to learn the fundamentals, or advanced players to sharpen their skills under the watchful eye of PGA qualified staff. Roofed driving range with 19 boxes, putting and chipping areas and a marvellous par 3 academy.

Sobienie Królewskie Hotel is an exquisite 19th century palace hotel rated 4* where guests can enjoy a luxurious meal in the restaurant and relax at the Wellness&Spa. The hotel itself and all the surrounding infrastructure proves that this is not a place for golfers only - there are plenty other options for the non-golfers, such as the horse riding school, swimming pool, paintball, quadricycles and much more. Apart from that, there is quite a variety of conference rooms and chambers that can easily host up to 600 participants.
